PART B

Please complete Part B overleaf, identifying which paragraph your comment relates to by completing the appropriate box.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies through the examination.

The majority of examinations are expected to be through written representations. However should the Inspector decide there is a need for an oral examination, please state below whether you would like to participate.

- No, I do not wish to participate at an oral examination
- Yes, I wish to participate at an oral examination

Please note the Inspector will determine whether an oral examination is necessary.

If an oral examination is require, please outline why you consider that your participation is necessary.

To which part of the Neighbourhood Development Plan document does your representation relate?

Please give details of your reasons for support or opposition, or make other comments here: Please be as precise as possible

Thank you for consulting the Planning Policy team at Somerset County Council (SCC) about your draft Neighbourhood Plan. We welcome the opportunity to comment. The Plan is detailed and clearly reflects a significant amount of work.

Our records indicate that we raised a small number of technical officer comments for your consideration at the draft plan stage in early 2016.

Accordingly, we acknowledge and welcome the references to the adopted Somerset Minerals Plan (2015) and the adopted Waste Core Strategy (2013) and support the changes made in response to our observations, especially to policy EN2.

Should you wish to discuss any of these comments, please contact the SCC Planning Policy team.

(Continue on separate sheet if necessary)

Please set out what change(s) you consider necessary to enable the plan to proceed, including any suggested revised wording of any policy or text, related to the objection you have raised. You will need to say why this change will enable the plan to proceed. Please be as precise as possible.

What improvements or modifications would you suggest?
